## APPENDIX

### A summary of the Primary Education Co-ordinator's role

- Provide leadership in the development of the Earth science components of the Primary curriculum covered within both Science and Geography, including assessment.
- Provide effective curriculum-centred educational resources to support the teaching membership, primarily through the Teaching Primary Earth Science supplement and ad hoc in-service training sessions.
- Maintain effective links with appropriate educational organisations (e.g. DfES, QCA).
- Provide a first point of contact for Primary Education enquiries.
- Identify and champion projects to enhance Primary education teaching support, providing leadership and/or input as appropriate.
- Encourage contributions to the ESTA website News and resources sections and to the *Teaching Primary Earth Science* supplement and *Teaching Earth Sciences*.
